WALKINGBUS

PILOTING EVENT

Imagine kids laughing,
walking safely to school,
and communities
connecting. ✨ The
WalkingBus pilot is
making it real! Discover
how we're creating
active, sustainable
journeys.

The pilot rounds will put the WalkingBus methodology into action, applying the training in real conditions. Trained walkers and volunteers will guide children along designated routes, ensuring safety and organization. This phase includes hands-on demonstrations, supervised trial runs, and community engagement activities to raise awareness. Local partners will oversee implementation, providing support and addressing any challenges to ensure a smooth and effective rollout.
