PHYSICAL ACTIVITY
PROJECT CODE : 101134614

WALKINGBUS LOCAL EVENTS

Pilot programs were implemented across Greece, Italy, and Türkiye. Each country has a designated partner responsible to plan, organise and implement the WalkingBus pilots at the local context. The Programs have marked a significant step in testing and refining the initiative. The pilots were allowed participating schools, local authorities, and community members to assess the effectiveness of the WalkingBus methodology in real-world conditions while also gathering valuable insights for future scaling.
